**Volution Group plc**

**Investor & Analyst visit to Reading Facility in the UK**

Volution Group plc (LSE: FAN), a leading supplier of ventilation products to the residential and commercial construction markets, announces that it is hosting an investor and analyst event today at its Reading facility in the UK. The event will include a presentation from Ronnie George (Chief Executive Officer), Andy O'Brien (Chief Financial Officer) and John Foley (Managing Director, Ventilation UK), followed by a tour of the Reading facility.

A copy of the presentation will be made available in the Investors section of the website under Reports, Results and Presentations at [www.volutiongroupplc.com](http://www.volutiongroupplc.com) at 10.00am today in conjunction with the commencement of the event. The presentation will not contain any material, non-public information and access to the event is open to pre-registered investors and analysts only.

**-Ends-**

**Note to Editors:**

Volution Group plc (LSE: FAN) is a leading supplier of ventilation products to the residential and commercial construction markets in the UK, the Nordics, Central Europe and Australasia.

The Volution Group operates through two divisions: the Ventilation Group and the OEM (Torin-Sifan) division. The Ventilation Group comprises 15 key brands - Vent-Axia, Manrose, Diffusion, National Ventilation, Airtech, Breathing Buildings, Fresh, PAX, VoltAir, Kair, Air Connection, inVENTer, Ventilair, Simx and Ventair, focused primarily on the UK, the Nordic, Central European and Australasian ventilation markets. The Ventilation Group principally supplies ventilation products for residential and commercial ventilation applications. The OEM (Torin-Sifan) division supplies motors, fans and blowers to OEMs of heating and ventilation products for both residential and commercial construction applications in Europe.
